NURSING EXPERIENCE

12/07 – present

Education and Training Manager

Center for TB Research, Johns Hopkins University, Baltimore, MD

Coordinate educational programming for the Center for TB Research, including JHU's annual HIV Conference, speaker symposia, annual summer courses for Fogarty program students, and educational activities for international partners. Work closely with policy and advocacy group to develop fact sheets and other educational materials.

08/02 – 12/07

Nursing Supervisor

Moore Clinic, Johns Hopkins University, Baltimore, MD

Working in a primary care nursing model, supervise care coordination and direct all nursing services for approximately 3000 patients with HIV. Develop, implement, and monitor service delivery programs. Participate in strategic management of the Clinic, including quality improvement and safety programs, and capacity planning. Supervise 5 nurses, 4 medical assistants, and 2 phlebotomists.

11/97 – 07/02

Associate Director, Treatment Support and Publications

San Francisco AIDS Foundation, San Francisco, CA

Established, developed, and directed the HIV treatment education and adherence support program for this HIV services organization, focusing on dually and triply diagnosed clients, and provided services to clients through one-on-one meetings and in a variety of group and workshop settings. Provided extensive formal and informal education on medical management of HIV to staff and external groups. Managed the HIV treatment publications of the agency, notably *BETA (Bulletin of Experimental Treatments for AIDS)*, a 64-page treatment publication published quarterly in English and Spanish, produced by 5 staff members, and circulated nationally and internationally. Developed written education materials for local clients with low and intermediate literacy levels. Managed the financial benefits counseling program provided by three staff members. Developed and managed annual budget of \$750,000.

08/96 – 11/97

(HIV) Care Manager

HIV Intervention Program, Apria Healthcare, San Francisco, CA

Provided comprehensive case management services to clients with HIV and first-line triage for 5 HIV-expert physicians of the Brown and Toland group. Developed materials for and educated clients in all aspects of HIV disease management. Coordinated resource utilization and requests for authorization of services. Assisted in program design.

10/95 - 08/96

HIV Nurse Case Manager

Marin Treatment Center, San Rafael, CA

Provided outpatient case management services to persons with HIV and histories of addiction.

09/94 - 09/95

Clinical Nurse

Osler 8 (inpatient HIV unit), Johns Hopkins Hospital, Baltimore, MD

PREVIOUS MANAGEMENT/ADMINISTRATION EXPERIENCE

1988 - 1992

Director of Personnel

Shanti Project, San Francisco, CA

As the first human resources professional for this community-based AIDS services organization, developed and implemented personnel policies with management guides, affirmative action programs, all employee benefits and employee relations programs.

1985 - 1988

Assistant Vice President (Personnel)

Wells Fargo Bank, San Francisco, CA

1979 - 1985

Manager of Corporate Personnel

Transamerica Corporation, San Francisco, CA

CERTIFICATION, AFFILIATIONS

AIDS Certified Registered Nurse (ACRN)

Advisory Board Member, Hepatitis C Support Project

Member, Association of Nurses in AIDS Care (ANAC)
